## Level Guidelines

- **Intro to Dance** - A basic introduction to dance focusing on co-ordination and learning basic dance steps.
- **Pre-Grade** - Students begin to understand and perform basic dance sequences, preparing them for level 1.
- **Level 1** - Enables students to perform basic dance vocabulary with musical and spatial awareness.
- **Level 2** - Students progress to demonstrating secure technique via more complex movements sequences and a wider range of vocabulary. The relationship between music and dance is refined and a sense of individual performance is introduced.
- **Level 3** - Students are able to perform complex movements with clear understanding and sustained sense of co-ordination and alignment. Their musicality is sound and sense of performance assured.
- **Level 4** - Students perform with a mastery of technique combined with an inherent expressive quality that is the mark of a professional dancer. They demonstrate individuality communicating via confident performances and through audience awareness. These qualities are at or near the level of a professional dancer in order to gain entry to vocational training.
